**Helping Dentists Build the
Practice Of Their Dreams!**

Geralyn Beers- Your Partner in Growth, has spent 38 years as a dental hygienist in both private practice and public health as well as many years expanding her knowledge through her work as an event manager, program consultant, lecturer and clinical instructor for a leading continuing education company. She is a founding member and past board member of the American Academy for Oral Systemic Health, and has attained status as a Bale Doneen preceptor, leading the way in Heart Attack and Stroke prevention through collaborative care. As a pioneer for Oral Systemic health Geralyn participated in and collaborated on the creation of "Say Ahh", the world's first documentary on oral health. With her broad knowledge of Total Health Dentistry, Practice Management and Dental Sleep Medicine she is living her dream of helping dentists to build new success by transitioning their practices toward the new Total Health practice model.
